**Subject:** RE: Most current Indirect Charge Provisional Rate

Hello Maria,

Can you please send me a copy of the 7/1/2013-6/20/2014 rate of 33.99%. I don't seem to have this in file. I will use this rate to finalize FY14's budget. Thanks.

Jerry

**Subject:** Most current Indirect Charge Provisional Rate

Hello Maria,

I'm preparing our final grant documentation to reflect the final UIC grant allocation for FY14 of \$579,000. Would you have the latest Indirect Charge provisional rate available? Is it still 38.76%?

Thank you for any information.
